お酒王冠・銅版ミュージアム :1930-1980 MUSEO VETULUS SAKÉ FUTA

"The Sake Cap Heritage Museum - Copperplates of Sake Logo: 1930-1980"

Nowadays, the logo is digitally made and plastic film is used for printing. However, until around 1980s, hand engraving on copperplate had been used to make up the logo for printing. These are some from our huge stock. Some of them are already disappeared brand. Enjoy the heritage of Sake brand, and artisan work.
